AAU Insurance Information

Individual Registration for AAU Membership/Insurance

Diving is classified as an individual sport, so as long as a diver has current AAU insurance under any club, they are considered covered. If a diver is insured through their winter diving club team that doesn't expire until Aug 31st, they are covered and do not need to get duplicate insurance for this summer.

The AAU information is on the SJDA website, <http://southjerseydiving.org/diver-info/aau-membershipinsurance>
