

## **Coach Sherry**

Coach Sherry is currently a senior at Towson University in Maryland studying health science. She has been a member of Brookside since she was 2 and is now 22. Suffice to say Brookside is her home away from home. Even if she is not coaching, you will probably still find her doing something else at the pool. She dove competitively for ten years, all of which were with Coach Dave at Brookside. For the past five years, she has been Coach Dave's assistant for Brookside's Dive Team and it's always one of the highlights of her year!
