

Coach Jake

Coach Jake will be entering his first year as assistant coach with the Brookside Dolphins and could not be more excited. Jake began his swimming career at age seven and swam all twelve years for the Whitman Square Sea Lyons, qualifying numerous times in freestyle, butterfly, and breaststroke events. Jake swam for Washington Township High School for all four years earning the most dedicated swimmer award in his junior year and was named Captain and MVP in his senior year. Jake went on to receive a four year National Army ROTC scholarship and graduated from Rutgers New Brunswick with a degree in Criminal Justice. Jake is currently working on his Master's degree in Teaching Physical Education and Health for grades K-12, and will be student teaching in Teaneck public schools in the fall.

Coach Jake loves working with kids of all ages and is motivated to help every swimmer improve their stroke mechanics and time. Jake is very much looking forward to working with Coach Brooke, Coach Nick, and all of the Brookside swimmers. Jake cannot wait for the summer 2016 season to begin and all of the great memories to come with his new Dolphin family.
